Reports About Rev. Coker Untrue.
(Pleasant Point Baptist church, near Kings Mountain, Ky., Sept. 4, 1909.) As Rev. A. G. Coker, our pastor, has been proven innocent and set right before the church and for the purpose of setting him right before the world the church asks that the following be published in the INTERIOR JOURNAL.)

DARNEY, KY., Aug. 21, 1909.—We, the undersigned members of Eden Baptist church, certify that the reports which are being circulated on Bro. Coker, are not true in any respect, but that he has conducted himself respectfully, as hecometh a christian gentleman and is worthy of any church's confidence, and that he is highly esteemed by our church for the grand work he has done among us. And we further say that John Robins by whose mouth such reports have been circulated, is not considered or recognized as a truthful or reliable man, and that he is not and never was recognized by any conference, or as a preacher. Signed: James Jenkins; W. H. Alexander, deacon; J. F. Waddle, deacon; W. H. Owens, deacon; S. S. Lovell, deacon; A. F. Alexander; Mack Crockett; Logan Beck; J. C. Edwards; E. W. Doolin, V. T. Moore; A. B. Ilargin, church clerk; also Eden church where Bro. Coker holds membership went on record as a church that the reports are false in every particular. Done by order of the church this Sept. 4, 1909.

JAMES T. BROWN, church clerk.

OTTENHEIM.

Cyrus James has been quite sick but is improving. Mrs. Jane Coleman is visiting at Rowland.

John Harris had the misfortune to get two of his toes mashed off while working at Dilton's saw mill.

Ike Terry was in this section Friday. B. G. Russell has moved to the Clarence Woods property on the upke.

Clarence Boone tells us of cutting a 10-acre field of millet and when he finished cutting in the center of the field the shocks were so thick he could not get the binder out.

Joe Lawson, who has been working in Bedford, Ind., is at home spraining a crippled foot. Maurice Plummer has sold his tract of timber for \$1,000. Several saw mill men have been watching this timber as it is exceptionally good. Russell Dillon and W. G. Matson were the lucky men.

Night On Bald Mountain.

On a lonely night Alex. Benton of Fort Edwards, N. Y., climbed Bald Mountain to the home of a neighbor, tortured by Asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe its the greatest Throat and Lung cure on earth. Coughs, Colds, Croup, Hemorrhages and Sore Lungs are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1. Trial bottle free. Guaranteed by Penny's Drug Store.

William Logan Williams.

As a part of their Centennial Celebration the members of the Christian church are to hold memorial services throughout the State on Sunday afternoon, Sept. 26, at 3 o'clock at the graves of their pioneer preachers. Such a service will be held on the 26th at 3 p.m. in the Hustonville cemetery at the grave of Eld. William Logan Williams. Rev. D. M. Walker, of Stanford, will make the address. The members and friends throughout the county are urged to be present.

WALTER S. WILLIS.

"Health Coffee" is the cleverest imitation of real coffee ever yet made. Dr. Shoop created it from pure parched grains, mait, nuts, etc. Fine in flavor—is made in just one minute. No 20 or 30 minutes tedious boiling. Sample free. Penny's Drug Store.

Weak Kidneys

Weak Kidneys, surely, point to weak kidney nerves. The kidneys, like the heart, and the stomach, and their like, not only control itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine aches, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, take Dr. Shoop's Restorative a month. Tablets or Liquid—and see what it can do and will do for you. Druggist recommended and sell all.

Rev. T. W. Barker, who has been pastor of the Methodist church at this place for the past two years, preached his farewell sermon to his congregation last Sunday. His subject was from 2nd Cor., 13:11: "Finally brethren Farewell, Etc." It is not Mr. Barker's intention to return to Stanford after his present term of work expires, tho' he does not know where conference will send him to work. Mr. Barker has made many friends here during his stay and all wish him God-speed in the future. Since his installation here he has organized two Epworth Leagues and taught a large Bible Class in the Sunday school, which has grown steadily. The church is in good condition and Mr. Barker is quite proud of his work since he has been here.

Charging that Deputy Marshal Robert Ramsey, an officer of the United States District Court, had held unlawful conversation with certain members of the jury before a verdict had been returned, Judge Charles A. Moore, of the defense, in the recent trial of Hines and Dickerson for alleged conspiracy to defraud the defunct First National Bank of Asheville, N. C., of which they were officers, created a sensation at Asheville when Judge Newman opened court to hear argument on a motion in arrest of judgment and for a new trial in the cases of the convicted men. Judge Newman denied a new trial and the cases will go to the court of appeals.

Go With A Rush.

The demand for that wonderful Stomach, Liver and Kidney cure, Dr. King's New Life Pillis—is astounding. Penny's Drug Store people say they never saw the like. Its because they never fail to cure sour Stomach, Constipation, Indigestion, Flatulence, Jaundice, Slick Headache, Chills and Malaria. Only 25c.

The British steamer Port Caroline, from Cape Town August 24, has arrived at Adelaide. The vessel was about a week overdue and this gave rise to the belief that she might have picked up the missing British steamer Waratah, but the Port Caroline reports that she did not sight that vessel.

CAPT. WILLIAM HERNDON 99% to be between the devil and the deep blue sea. Two of the district chairmen want him to run on the republican ticket for circuit judge and two say him nay. The captain has no say in the matter. Up to the hour of going to press the question had not been settled and it looks as if it will not be. We are informed that Capt. Herndon wants to run and wants to bad, thinking probably that there's something of a charm in the third attempt. Well, there is no harm in thinking, captain.

We believe there was more drunkenness in Stanford court day than there has been since the saloons were closed. Didn't the city authorities give that notorious blind tiger operator, Bill Lee, to understand that he must leave Stanford for good or pay the fines assessed against him? He was here Monday night. Who sent for him? Either put him on the rock pile or make him obey the city judge's order to keep away from Stanford for Stanford's good.

FEELING deeply indebted to Congressman Harvey Helm for the earnest efforts he put forth to secure the new government building, the citizens of Danville have invited him to be present at the laying of the corner stone on Sept. 22nd and to deliver an address. THE editor of this paper wants to thank the Corner Stone Laying Committee of Danville for an invitation to attend its ceremonies in laying the corner stone of the Government Building on Sept. 22nd.

Jones for the Republican nomination for County Judge it was found that instead of a majority of 22 for Jones, Wells had received a majority of 11.

Mr. Taft did not touch on the tariff, saying he was saving that for his Western audiences.

The eighth anniversary of the death of the late President McKinley was observed quietly at Canton, O. A large wreath of carnations, roses and lilies was placed in the McKinley mausoleum by order of George B. Cortelyou, of New York, who sends this annual tribute to the memory of the chief under whom he served as private secretary. Many other floral pieces were taken to the mausoleum.
